No player in the history of disc golf has dominated like Ken Climo. With 12 World Championships, 5 US Championships, and a basket full of other Major titles, Ken became the face of disc golf throughout the 90s. He is still THE player to beat at any event. After 20 years, Ken continues to remind people of his prowess at big events by winning against competition half his age.

The KC line of signature discs are the discs that helped Ken win all those titles.
